Your Contact Information:

* Email Address:
 (e.g., Susan.Smith@uspto.gov)

Mailbox No.:

* Case serial number:

If not related to a patent application, please enter NA here.

Class / Subclass(es)

Earliest Priority Filing Date:

Format preferred for results:

☒ Paper
 ☐ E-mail
 ☐ Diskette

Provide detailed information on your search topic:

- In your own words, describe in detail the concepts or subjects you want us to search.
- Include synonyms, keywords, and acronyms. Define terms that have special meanings.
- For Chemical Structure Searches Only
Include the elected species or structures, keywords, synonyms, acronyms, and molecular weights.
- For Sequence Searches Only
Include all pertinent information (parent, child, divisional, or issued patent number and serial number).
- For Foreign Patent Family Searches Only
Include the country name and patent number.
- Provide examples or give us relevant citations, authors, etc., if known.
- FAX or send the **abstract, pertinent claims** (not all of the claims), **drawings**, and **claims** to the EIC or branch library.

Enter your Search Topic Information below:

determining a segment-level actual usage value for one o
combination and computing a segment-level expected usage
each of the one or more word combinations in accordance
 $S(W_j) \times \dots \times S(W_m) / N(m-1)$

where "m" represents the number of words in the word com
"N" represents the number of segments in the data corpus
and S(W) represents the number of unique segments in the
that word W_i of the word combination is in

Ly, Anh

From: STIC-EIC2100@uspto.gov
Sent: Tuesday, January 09, 2007 7:15 AM
To: Ly, Anh
Subject: Database Search Request Confirmation, Serial Number: 10/086,026

Examiner ANH LY:

This is a machine-generated confirmation email to let you know that your search request has been sent to EIC TC2100.

Searches are processed in the order in which they are received. Upon receiving your request, a searcher will contact you to discuss your search. You will be notified again when your search is completed. At that time, you may pick up your search in the EIC. If you prefer, the search will be delivered directly to your office. Deliveries are made twice a day, once in the midmorning and again in the afternoon.

If you have any immediate questions you can contact us at 571-272-4225.

Thank you very much for using the EIC. The text of your request is below.
